

The Alsager Partnership

WE NEED LITTER CLEAN UP VOLUNTEERS

The Alsager Partnership has set out to organise volunteers to pick up litter around Alsager to keep the Village clean and tidy

'The Clean Up Team'

The plan is to organise clean up teams for all districts of the Village. Each with a team leader/organiser to periodically meet to pick up dropped litter from our Village

~

Unfortunately there are people who drop litter in our streets but who knows by example and appearance we may convert some of them to take their litter home or use the litter bins provided

~

If anyone is interested in joining a voluntary group of residents to pick up dropped litter can you please contact email apcleanup@aol.com leaving your name and contact details

~

If anyone interested does not have access to the Internet please leave your details at the information centre at the Bank Corner and marked for the attention of The Alsager Partnership – Clean up Team

The Alsager Partnership

~

This is a new venture with the aim to keep our Village a cleaner and brighter and a place that we are all pleased and proud to live in.
