

THE WILD WEST CAME TO ALSAGER

Alsager residents and visitors attended the annual Carnival held on 20 June, with a theme of “ The Wild West”. The parade and floats passed through the centre of Alsager onto the playing fields at Alsager School. The change in venue this year was to accommodate a popular community attraction which has become a bigger event.

The floats were judged by Cllr Roberson.

The Annual Animal Safari continues to be enjoyable and attracts a lot of interest. Alsager Town Council is pleased to offer financial support to the Carnival. The Organising Committee and Alsager Round Table are to be congratulated on the event’s success.
