

Cllr. Derek Hough writes:

WALKS AROUND ALSAGER

Alsager is surrounded by beautiful countryside and walking is one of the most popular pastimes of Alsager people.

Some years ago, **Alsager Town Council**, in partnership with **Cheshire County Council**, produced a leaflet "Parish Paths Partnership". This advertised a number of walks around Alsager and also gave a schematic view of all the official paths within the town.

We still have a number of these leaflets available from the **Information Centre**, which, with the imminent demise of the County Council, we can sell off at less than the original price. Originally £1.00 they can now be purchased for 40p. All proceeds will go to footpath improvements or improved signage.
